

Exeter Maritime Services Ltd

Vessel Name :	24m Catamaran Workboat
Photo :	A 3D digital rendering of a white catamaran workboat. The vessel has a sleek, modern design with a wide deck. On the deck, there are two large red rectangular objects, possibly fuel tanks or equipment. The hull is white with a black stripe and yellow and black hazard stripes near the stern. The text 'WINDFARM SERVICES LTD' is visible on the side of the hull. The boat is shown from a three-quarter perspective, facing towards the left.
